

# Terms & Conditions: Annual Club Membership

## Budo Ka Red Dragon Shotokan Karate Club

Thank you for your interest in the Budo Ka Red Dragon Shotokan Karate Club. The following terms and conditions apply to the annual club membership:

### Annual Fee

The student pays an annual fee of £50.

### Benefits of Membership

- Free Monthly Mock Gradings: For twelve months.
- Free Monthly All Grades Classes: For twelve months.
- Free Monthly Black & Brown Belt Classes: For twelve months (for Black and Brown belts only).
- Free Cotton Belts and Kyu Grading Certificates: For kyu grades going for an actual grading.

### Monthly Karate Course

Normal weekly classes on the monthly karate course are £48. The classes range between 8 to 9, and sometimes 10, classes per month. This pricing offers a cheaper rate for students taking full advantage of the course.

Students have the option to 'Pay-as-you-go', but like students doing the karate course, must pay the club membership fee and then pay £7 per lesson each time they train.

### Grading Examinations

**Only Club Members can partake in the grading examinations.**

Grading examinations are taken every 3 to 4 months, depending on the attendance and ability of the student. A student must have between 18 to 24 lessons registered and must have attended some mock grading classes.

Students will be informed if they require more training should they not meet the standard required.

We look forward to supporting you on your martial arts journey.
